

Australia Overnight ANZAC Day Clocks

There will be extended periods of silence during the Service, PFA's should be disabled.

If you are not taking the entire program from midnight we suggest joining with a hard start at 04:07.00, or manually at the start of the service at 04:10.00.

0000 to 0400 EST	Command	Description – Satellite Channels 102 & 106
:00:00	-	LOCAL News Theme Window
